MAKING STRIDES TO EMPOWER WOMEN LOCALLY AND GLOBALLY Women-Focused NonProfit Hosts Charity Dance-Off on November 6

Willow Grove, PA | October 22, 2021 - Non-profit organization Women Empowered International will host its first annual *WE Dance* event on November 6, 2021 to raise funds for vital program support. Based upon the popular hit TV show *Dancing with the Stars*, *WE Dance* will feature amateur husband and wife teams representing Connecticut, Georgia, New York/New Jersey, and Pennsylvania performing dances and competing against one another.

Hosted by Radio Personality Desiree “Dezzie” Neal, the goal of *WE Dance* is to raise \$30,000 or more through combined donations, event ticket sales and sponsorships. All proceeds will benefit the organization’s initiatives and programs, including but not limited to:

- Everyday SHE-ROSE - awards women who overcome incredible obstacles to uplift their communities. The award supports the recipient’s work of direct service, philanthropy, or raising awareness around a particular community need.
- WE Next - provides training, networking and a destination retreat for women under 30 interested in doing transformational work and finding solutions to social problems plaguing their communities. WE Next is heading to Kenya in January 2022.
- WE Mentor & Coach Certification - trains women in leadership and advocacy skills and facilitating community-based healing and learning circles. TransformHer® program graduates have an opportunity to become certified mentors or coaches.

WE Dance will be a hybrid event with a combination of limited in-person attendees and virtual viewers from around the world. “Through this inaugural event, we aim to raise awareness of, grow engagement in, and raise support for Women Empowered International’s ongoing efforts to improve the lives of women around the world,” shared Executive Director, Dr. Deidre Anderson.
