ABOUT **WOMEN EMPOWERED INTERNATIONAL**

Women Empowered (WE) is a 501(c)(3) non-profit organization that dares women to break the mold and make one another better. Our community promotes healing and wholeness by empowering women to transform their lives for the better as they grow in their leadership, affirm one another's gifts, and support each other in the journey.

WE inspires women to step out, be bold and take action in order to fulfill their dreams by equipping women with the tools they need to have power and control over their own lives. WE also encourages women worldwide to fulfill their dreams, as well as give back to local and global communities.

OUR FOUNDER

Dr. Deidre Anderson

Dr. Deidre Anderson is a well sought-after corporate trainer, charismatic speaker, successful business owner, award-winning leadership coach, and licensed minister with a heart to see others succeed. Dr. D, as she is affectionately known, has traveled the world, inspiring people from all walks of life to break through barriers to achieve more than they ever dreamed possible. Whether in the corporate arena, the women's domain or in ministry, Dr. D believes in helping individuals and working groups to discover their true potential while motivating and inspiring them to reach higher.

As the founder and executive director of Women Empowered International, she compels women to become strong leaders through training programs and exclusive events that will help them to identify their goals and the strategies necessary to accomplish them.

ABOUT WE DANCE FOR A CHANGE

WE Dance for a Change is Women Empowered International's signature fundraising event. Based upon the popular hit TV show Dancing with the Stars, WE Dance for a Change will feature inspirational amateurs partnered with professionals performing dances and competing against one another for judges' points and/or audience votes. The WE Dance for a Change contestants will raise funds for Women Empowered International's programs as they hit the dance floor and have fun.

This year's contestants will represent different Women Empowered International programs. So, you can expect plenty of fun as they share their reason for participating in this invigorating event, which happens to fall on International Dance Day.

The event will be hybrid with a combination of in-person attendees and virtual viewers from around the world. Our goal is to raise a minimum of \$30,000 to support the work of Women Empowered International. Our initiatives and programs include:

- WE Next
- The SISTAH Social Impact Project
- WE GIVE BACK
- TransformHER Community
- Everyday SHE-ROSE
- WE Mentor & Coach Certification
