Booklet Ad Form**

WE Dance for a Change is this year's Women Empowered International's signature fundraising event. Based on the popular hit TV show Come Dance with Me, WE Dance for a Change will feature young dancers and their inspirational adult partners performing international dances and competing against one another for judges' points and/or audience votes. However, a different dynamic is that WE Dance for a Change contestants are amateurs who love to hit the dance floor and have fun.

This year's contestants will represent different Women Empowered International programs. So, you can expect plenty of fun as they share their reason for participating in this invigorating event.
